

35mm Round 50w SMD LED Chip 3000K For GU10 Downlight Spotlight

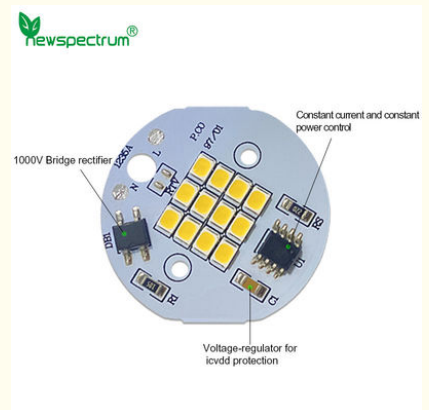

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: 1235A
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

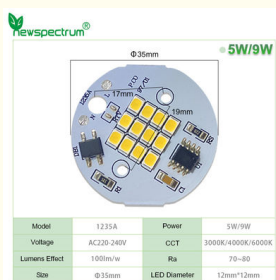

Product Specification

- Product Name: 220V 5W 7W 9W LED Chip
- PF: >0.9
- Power Dissipation: 0.01
- Optical Attenuation(%): 2
- Chip Material: INGAN
- CCT: 3000K
- Highlight: Round 50w SMD LED Chip, SMD LED Chip 3000K, Spotlight 50w SMD LED Chip

Product Description

High Quality 35mm Round Size COB Fit For GU10 Downlight Spotlight 3000K 4000K 220V 5W 7W 9W LED Bulb Chip

voltage	220V
Chip material	INGAN
CCT	3000K
power	5W

Are you still worrying these problem?

Short circuit? Burn out? Poor quality?

Don't worry !

Newspectrum LED CHIP

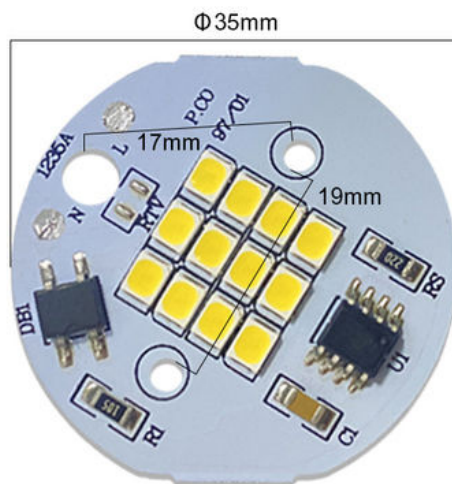

Benefit your life

Full Power

High Lumens

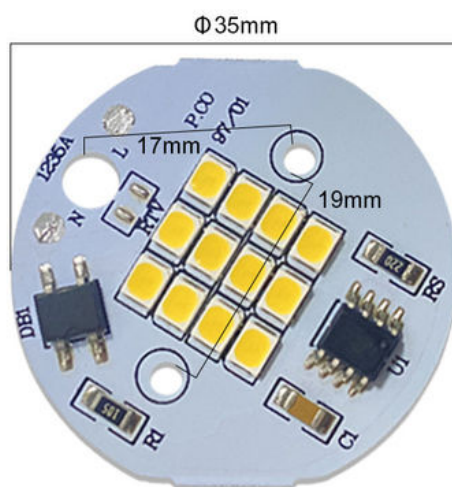

Life Guarantee

● 40W

Model	1235A	Power	5W/9W
Voltage	AC220-240V	CCT	3000K/4000K/6000K
Lumens Effect	100lm/w	Ra	70~80
Size	Φ35mm	LED diameter	12mm*12mm

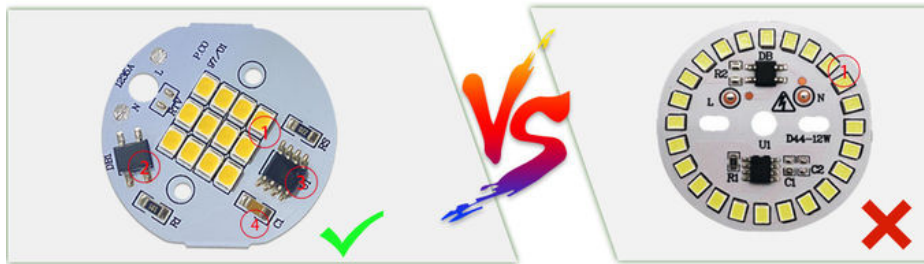

● 40W

Model	1235A	Power	5W/9W
Voltage	AC220-240V	CCT	3000K/4000K/6000K
Lumens Effect	100lm/w	Ra	70~80
Size	Φ35mm	LED diameter	12mm*12mm

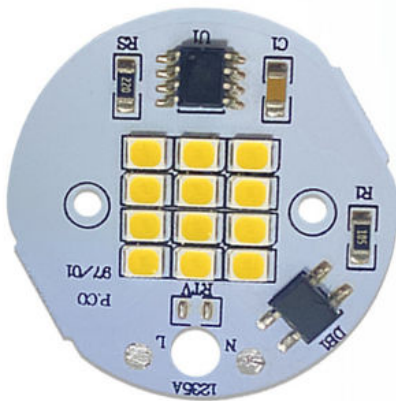

Why is it safer ?

A3: More secure with multiple protections

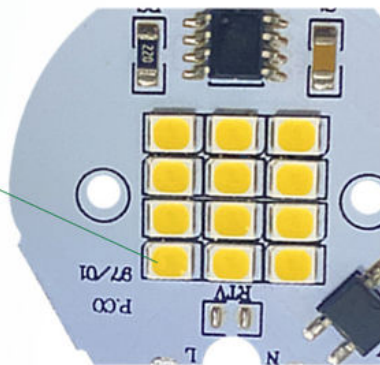

Our chips are brighter than others	(1)	Ordinary chip
1000V bridge rectifier	(2)	No
Constant current and constant power control	(3)	No
Voltage-regulator for icvdd protection	(4)	No

Product Details

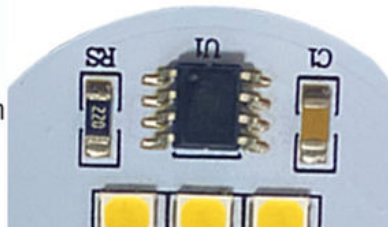

Intelligent-control circuit
component safe, reliable, high quality

High quality light-emitting chip
long service life

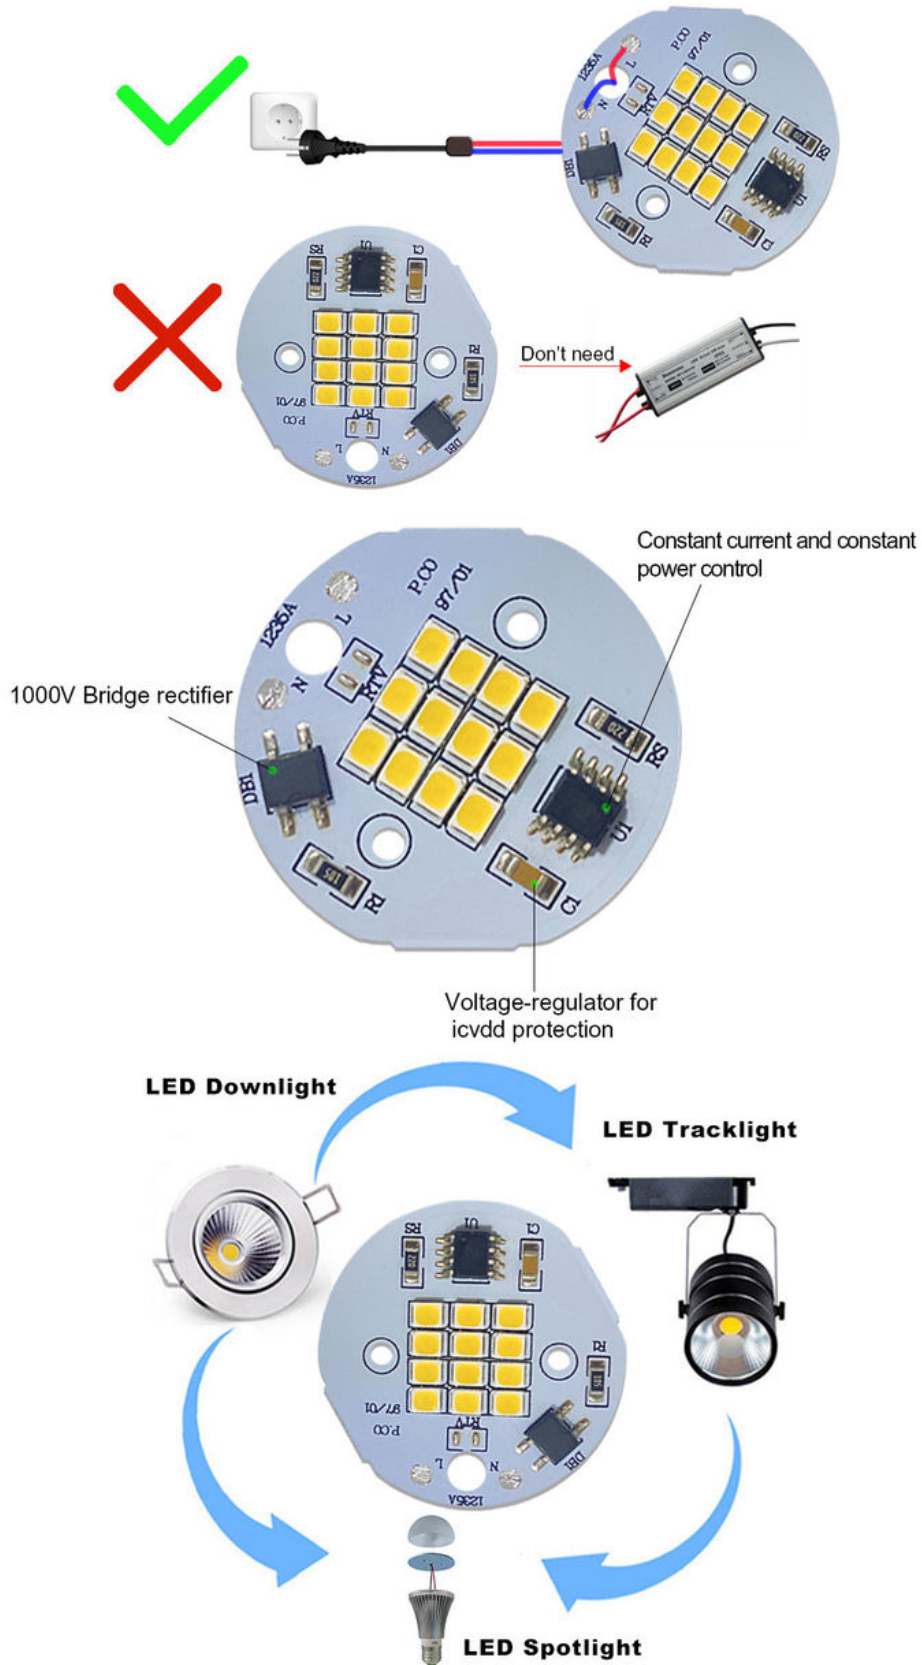

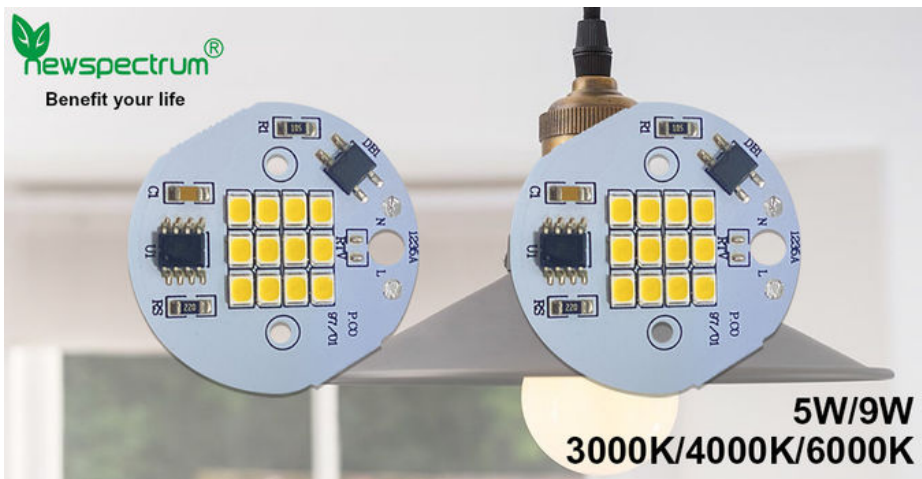

Durable aluminum substrate provide
great heat dissipation effect

Smart IC chip miniaturization,
intelligent extend product's lifespan

Smart IC No Driver

FAQ

Q1: Are you a manufacturer or trading company?

A: Shenzhen Colighting Ltd is a leading LED light source manufacturer founded in 2013 in Shenzhen, China. We have a professional R & D team with more than 18 years experiences in LED industry. We have many patent products with independent innovation. Furthermore, we provide standardization products as well as customization service that already benefited many customers all over the world with "OPTIMAL" quality products at "OPTIMAL" prices.

Q2: Do you supply OEM & ODM service?

A2: YES, absolutely it can be realized. Colighting focus on OEM & ODM service more than 12 years.

Q3: All the pictures are real photo?

A3: Yes, the pictures of all products on this page are 100% real shoot by us.

Q4: Can I have a sample order to test?

A4: Yes, we are pleased to supply samples to test and check quality, mixed sample order is available.

Q5: What about the lead time?

A5 : Sample in stock: 1-3 days. Customized production: 7-15 days, depends on the order quantity.

Q6: How can you guarantee the quality?

A6 : Multiple lighting and aging tests ensure high quality for each product; Professional product quality inspection team ensures that the functions of the product are intact and works stably; If there are still some defective problems, please contact the customer service in time. We will solve your problem at the first time and replace and resend new product for free.

Q7: How can I place an order?

A7: First, tell us your request or application. Second, according to your requirements, we give you the quotation. Third, the customer confirms the sample of the official order, the destination of the transportation, and pay for the payment of the sample. Fourth, after receiving the payment, we will arrange production and deliver the goods in time.
