

5W SMD LED Chip Encapsulation Series Brighter Safe And Reliable

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: 1235A
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

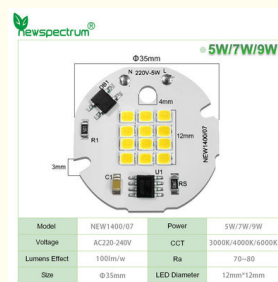

Product Specification

- Product Name: SMD LED Chip 12W
- Power: 5W
- CCT: 4000K
- Application: Spotlights/Downlight/Track Light
- Voltage: 220V
- Chip Material: INGAN
- Highlight: 5W SMD LED Chip, Safe Reliable SMD LED Chip

Product Description

LED Chip Manufacturer LED Encapsulation Series Brighter SMD1235A led chip 220v Led Bulb Chip

voltage	220V
Chip material	INGAN
CCT	4000K
power	5W

Are you still worrying these problem?

Short circuit? Burn out? Poor quality?

Don't worry !

Newspectrum LED CHIP

Benefit your life

Our Product Introduction

for more products please visit us on cobledchip.com

Why is it safer ?

A3: More secure with multiple protections

Our chips are brighter than others	(1)	Ordinary chip
1000V bridge rectifier	(2)	No
Constant current and constant power control	(3)	No
Voltage-regulator for icvdd protection	(4)	No

Product Details

Intelligent-control circuit
component safe, reliable, high quality

High quality light-emitting chip
long service life

Durable aluminum substrate provide
great heat dissipation effect

Smart IC chip miniaturization,
intelligent extend product's lifespan

Smart IC No Driver

Application scenarios

FAQ

Q1: Are you a manufacturer or trading company?

A: Shenzhen Colighting Ltd is a leading LED light source manufacturer founded in 2013 in Shenzhen, China. We have a professional R & D team with more than 18 years experiences in LED industry. We have many patent products with independent innovation. Furthermore, we provide standardization products as well as customization service that already benefited many customers all over the world with "OPTIMAL" quality products at "OPTIMAL" prices.

Q2: Do you supply OEM & ODM service?

A2: YES, absolutely it can be realized. Colighting focus on OEM & ODM service more than 12 years.

Q3: All the pictures are real photo?

A3: Yes, the pictures of all products on this page are 100% real shoot by us.

Q4: Can I have a sample order to test?

A4: Yes, we are pleased to supply samples to test and check quality, mixed sample order is available.

Q5: What about the lead time?

A5 : Sample in stock:1-3days. Customized production:7-15days, depends on the order quantity.

Q6: How can you guarantee the quality?

A6 : Multiple lighting and aging tests ensure high quality for each product; Professional product quality inspection team ensures that the functions of the product are intact and works stably; If there are still some defective problems, please contact the customer service in time. We will solve your problem at the first time and replace and resend new product for free.

Q7: How can I place an order?

A7: First, tell us your request or application. Second, according to your requirements, we give you the quotation. Third, the customer confirms the sample of the official order, the destination of the transportation, and pay for the payment of the sample. Fourth, after receiving the payment, we will arrange production and deliver the goods in time.
