Basic Information

- Place of Origin: Shenzhen China
- Brand Name: AC COB LED
- Model Number: NEW 3511
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

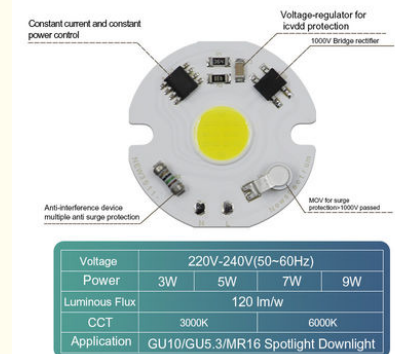

Product Parameter

Product Specification

- Color Temperature: 3000K/4000K/6000K
- CRI: >80Ra
- Voltage: AC100-240V
- Product Name: AC COB LED
- Warranty: 3 Years
- Working Temperature: -20°C~+50°C
- Power: 3/5/7/9W
- Beam Angle: 120°
- Highlight: 4000K COB LED Module, 5W COB LED Module, 4000K AC COB LED

Product Description

Product Description:

AC COB LED 120° Beam Angle 3000K/4000K/6000K

AC COB LED module is a perfect combination of warm LED module and aluminum material, which provides outstanding performance for a long time. With a lifespan up to 50,000 hours, it is designed to make sure that the lighting system work properly and smoothly. This LED module also comes with a 3-year warranty, giving you peace of mind while using it. In addition, you can also customize the logo, packaging and graphic with a minimum order of 3000 pieces. Dimension is Dia.90*H90mm, perfect for all your lighting needs.

AC COB LED module is an ideal choice for any lighting projects. It is highly efficient, durable and provides excellent lighting performance with its warm LED module and aluminum material. With its long lifespan of 50,000 hours, it is perfect for both indoor and outdoor lighting systems. Moreover, it also comes with a 3-year warranty, giving you the assurance that it will last for a long time.

If you are looking for an LED module that is reliable, efficient and customizable, then AC COB LED module is the perfect choice for you. It is made of aluminum material and has a lifespan of 50,000 hours, giving you the assurance of its durability and performance. Moreover, you can customize the logo, packaging and graphic with a minimum order of 3000 pieces. With its dimension of Dia.90*H90mm, it is the perfect choice for your lighting needs.

Features:

Product Name: AC COB LED

Material: Aluminum

Customization: Customized Logo(Min. Order 3000 Pieces), Customized Packaging(Min. Order 3000 Pieces), Graphic Customization(Min. Order 3000 Pieces)

Power: 3/5/7/9W

IP Rating: IP65

Beam Angle: 120°

LED Grow Chip: Yes

Warm LED Module: Yes

LED COB Module: Yes

Technical Parameters:

Parameters	Specifications
Dimension	Dia.90*H90mm
Working Temperature	-20°C~+50°C
CRI	>80Ra
Lifespan	50,000 Hours
IP Rating	IP65
Beam Angle	120°
Warranty	3 Years
Color Temperature	3000K/4000K/6000K
Luminous Flux	1000-10000lm
Material	Aluminum
Flip LED Chip	High PPF, High Efficiency

Applications:

AC COB LED – Light with Comfort and Quality

For those looking for a lighting solution that offers comfort and quality, the AC COB LED is the perfect choice. This high-quality LED module from Shenzhen China features Flip LED Chip and Warm LED technology for a reliable, efficient light source. It comes in a range of color temperatures, from 3000K to 6000K, all of which are suitable for both indoor and outdoor use. The aluminum material is designed for durability and can operate at temperatures ranging from -20°C to +50°C. Plus, the luminous flux of the AC COB LED ranges from

1000 to 10000lm for a bright, clear light. Enjoy the comfort and quality of this LED COB Module and make your space shine.
