

50HZ COB Led Chip

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: NEW 7440-660+UV
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

Product Specification

- Luminous Flux: 5000LM
- IP Rating: IP65
- Working Temperature: -20°C~+50°C
- Package: Anti-static Bag
- Voltage: AC110-130V/220-240V(50HZ/60Hz)
- Warranty: 2 Years
- Material: Aluminum
- Beam Angle: 120°
- Highlight: 50HZ COB Led Chip, Energy Saving COB Led Chip, 50W LED Chip 50HZ

Product Description

Product Description:

50W LED Device Chip 5000LM Anti-Static Bag For B2B Buyers

Our 50 Watts LED Device Chip is an ideal choice for spotlights, grow lights or flood lights applications. It features a power of 50W, a size of 50mm X 50mm and is constructed with aluminum. It comes with an anti-static bag packaging for extra protection. This 50W LED Chip provides excellent brightness and reliability with long lifespan. It is an energy efficient alternative to traditional lighting, providing you with a cost effective solution. With its exceptional performance and robust design, our 50W LED Chip is perfect for a wide range of applications, from commercial lighting to residential lighting.

Features:

Product Name: 50W LED-Chip

Beam Angle: 120°

Light Source: LED

Luminous Flux: 5000LM

Voltage: AC110-130V/220-240V(50HZ/60Hz)

50 Watts LED Device Chip

High Quality 50W LED Device Chip

High Brightness 50W LED Device Chip

High Efficiency 50W LED Device Chip

Long Lifespan 50W LED Device Chip

Energy Saving 50W LED Device Chip

Low Power Consumption 50W LED Device Chip

Low Heat Generation 50W LED Device Chip

Technical Parameters:

Property	Value
Light Source	LED
IP Rating	IP65
Product Name	50W LED Chip
Beam Angle	120°
Size	74mm X 40mm
Lamp Power(W)	20W, 30W, 50W
Material	Aluminum
Package	Anti-static Bag
Color Temperature	6000K
Lifespan	50,000 Hours
LED COB Lamp Chip	Yes
Flip Chip Cob Led	Yes

Applications:

Newspectrum, a brand from Shenzhen China, provides 50W LED Chip, which is powered by AC220-240V(50HZ/60Hz), and packaged in an anti-static bag. This 50W LED Chip is widely used in various scenarios and applications, such as spotlights, grow light, and flood light, etc. This high-quality LED COB Lamp Chip has a superior brightness and energy-saving performance, and is very durable and reliable. It is a great choice for those who are looking for a powerful 50W LED Chip.

Support and Services:

We provide technical support and services for our 50W LED Chip, including:

On-site technical support and services

Product installation and commissioning

Software and hardware troubleshooting and maintenance

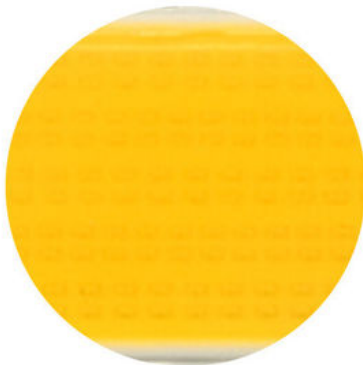

Product customization and design

Technical support via phone or online chat

Product warranty and repair services

Certificate

Product Features

Intelligent-control circuit
component safe reliable high quality

High quality light-emitting chip
long service life

Durable aluminum substrate provide
great heat dissipation effect

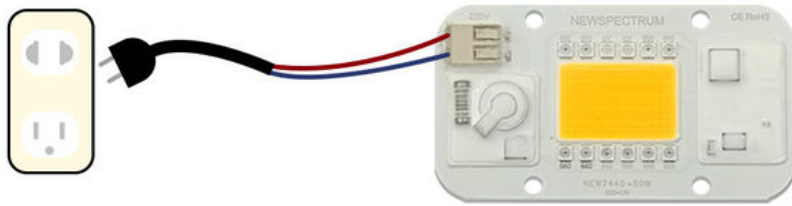

Smart IC chip miniaturization
intelligent extend product's lifespan

Product Presentation

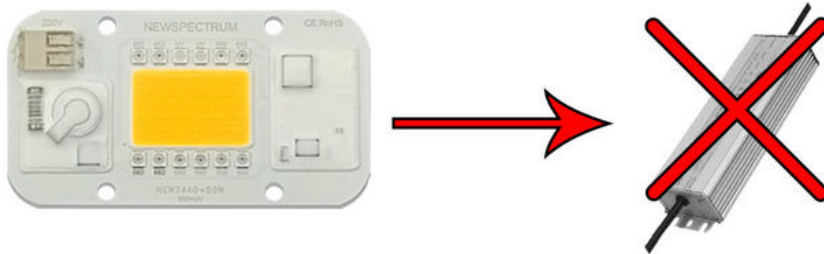

Smart IC No Driver

No drive power required

Don't have

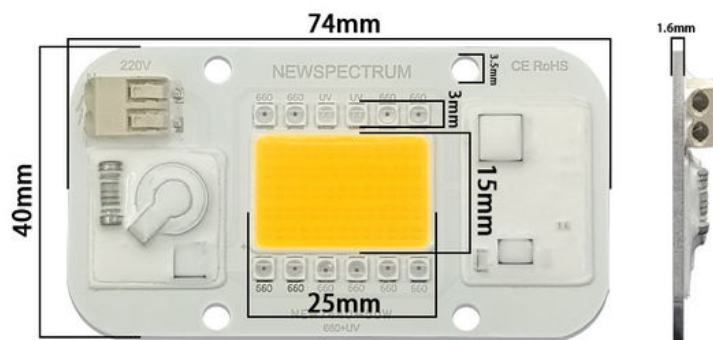

Product Details

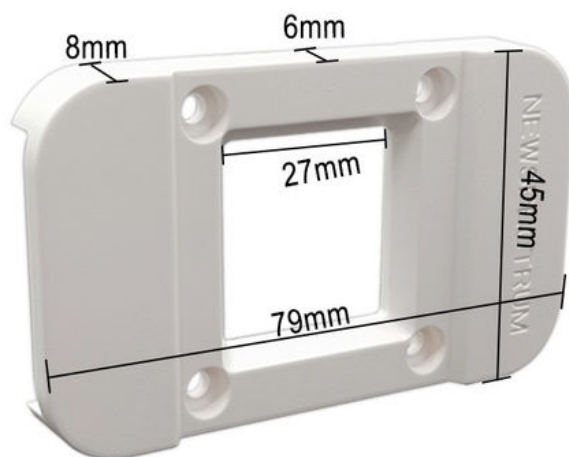

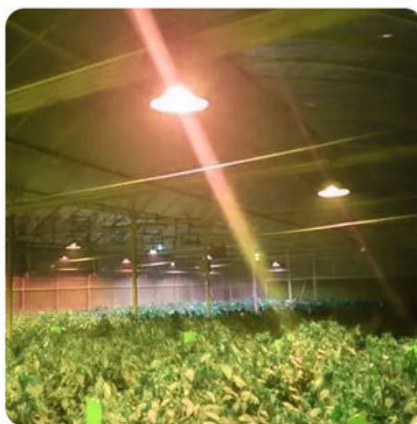

Dimensional parameters

Voltage	AC 110V/220V
Power	50W
CCT	3500k+660nm+UV395nm
Application	Plant lamp

Scenario application

FAQ:

Q1: What is newspectrum 50W LED Chip?

A1: newspectrum 50W LED Chip is a high-efficiency LED chip manufactured by newspectrum in Shenzhen, China.

Q2: What are the advantages of newspectrum 50W LED Chip?

A2: newspectrum 50W LED Chip has high efficiency and long lifespan, and is low power consumption and heat dissipation.

Q3: What are the applications of newspectrum 50W LED Chip?

A3: newspectrum 50W LED Chip is widely used in various lighting applications, such as street lights, flood lights, high bay lights, tunnel lights, etc.

Q4: What is the lifetime of newspectrum 50W LED Chip?

A4: newspectrum 50W LED Chip has a long lifetime of more than 50,000 hours.

Q5: What is the size of newspectrum 50W LED Chip?

A5: newspectrum 50W LED Chip has a diameter of 27mm and a height of 6mm.
