

Flip 50W LED Chip Cob Led Light 120° Beam Angle 6000K Color Temperature

Our Product Introduction

for more products please visit us on cobledchip.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: NEW4061
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-8 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 50000pcs/m

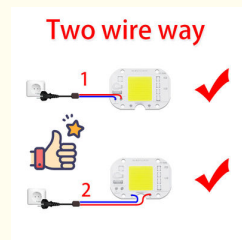

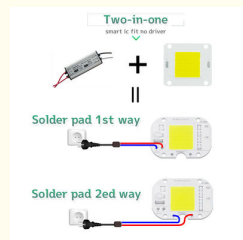

Product Specification

- Voltage: AC220-240V(50HZ/60Hz)
- IP Rating: IP65
- Color Temperature: 6000K
- Lamp Power(W): 20W, 30W, 50W
- Size: 50mm X 50mm
- Light Source: LED
- Lifespan: 50,000 Hours
- Luminous Flux: 5000LM
- Highlight: 6000K 50W LED Chip, Flip 50W LED Chip

Our 50W LED Chip offers high efficiency and reliability with its Flip Chip Cob Led technology, making it a great choice for spotlights, grow...

Our Pro

lights, and flood lights. It is made of high-grade aluminum material, allowing it to be durable and resistant to corrosion. The chip measures 50mm X 50mm and is designed with an IP65 rating, ensuring it is protected from dust and water. The LED COB Lamp Chip provides great heat dissipation and superior performance, making it ideal for a wide range of applications. In addition, its Flip Chip Cob Led design offers superior illumination and energy saving capabilities, making it a great choice for lighting projects.

Features:

Product Name: 50W LED Chip
Voltage: AC220-240V(50HZ/60Hz)
Package: Anti-static Bag
Size: 50mm X 50mm
Beam Angle: 120°
50W LED Device Chip
High luminous efficiency
Excellent color rendering
Low power consumption
Long life span
Simple installation
High reliability
High quality light
Excellent thermal management
Wide temperature range
High efficiency LED driver
IP67 waterproof rating
Corrosion resistant
Robust construction
Impact resistant
High vibration resistance
No UV or IR radiation
Low EMI and EMC radiation
No mercury or other hazardous materials
Environmentally friendly
Cost-effective
Easy maintenance
Wide range of applications

Technical Parameters:

Parameter	Description
Product Name	50W LED Chip
Light Source	LED
Application	Spotlights/Grow Light/Flood Light
Size	50mm X 50mm
Working Temperature	-20°C~+50°C
Lifespan	50,000 Hours
Package	Anti-static Bag
Color Temperature	6000K
Voltage	AC220-240V(50HZ/60Hz)
Warranty	2 Years

Applications:

Are you looking for a reliable LED device chip for your lighting projects? NewSpectrum's 50W LED Chip is the perfect solution for you! Our chip is made with advanced flip chip cob LED technology, providing up to 120° beam angle and 6000K color temperature. What's more, this chip has an AC220-240V(50HZ/60Hz) voltage and comes with a 2-year warranty. It is ideal for applications such as spotlights, grow lights, and flood lights. Get NewSpectrum's 50W LED Chip today and start your lighting project with confidence!

Support and Services:

We provide technical support and service for our 50W LED Chip product. Our technical support team is available to answer any of your questions and provide technical guidance on how to use the product. We also offer a warranty and repair service to ensure that your product is functioning properly. If you experience any problems with your product, our team is available to troubleshoot and repair it. We also provide online resources such as tutorials, product guides, and FAQs to help you get the most out of your 50W LED Chip.

FAQ:

Q1: What is the Brand Name of the 50W LED Chip?
A1: The Brand Name of the 50W LED Chip is newspectrum.
Q2: Where is the 50W LED Chip manufactured?

A2: The 50W LED Chip is manufactured in Shenzhen, China.

Q3: What are the advantages of the 50W LED Chip?

A3: The 50W LED Chip has a high brightness, long lifespan, low power consumption, and high energy efficiency.

Q4: What are the applications of the 50W LED Chip?

A4: The 50W LED Chip can be used for indoor and outdoor lighting, displays, automotive lighting, decorative lighting, and other applications.
