

240V Dimming Cob LED Chip 6000K With AC100-240V Voltage 50000hrs Lifespan

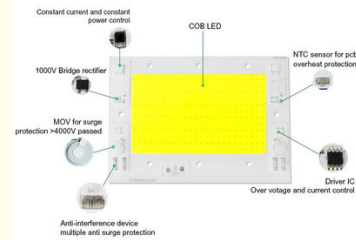

Our Product Introduction

for more products please visit us on cobledchip.com

Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: DOB5054/NEW5054/HZZM5054
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

Product Details

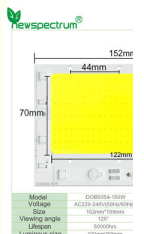

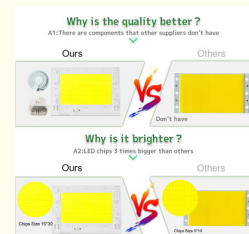

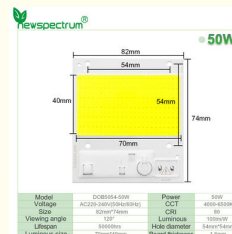

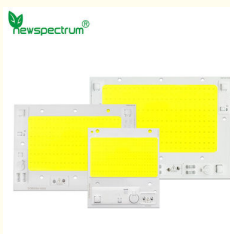

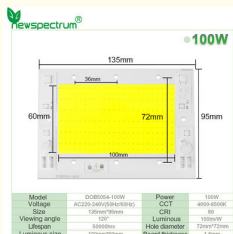

Product Specification

- Product Name: Dimming Cob LED
- Luminous Flux: 10000lm
- Size: 152*109*2mm
- Lifespan: 50,000hrs
- CRI: >80
- Color Temperature: 3000K-6500K
- Voltage: AC100-240V
- Highlight: Dimming Cob LED 6000K, 240V SMD LED Chip

Product Description

Product Description:

COB LED SMD Chip With AC100-240V Voltage 50000hrs Lifespan

Our Pro

Dimming Cob LED is a high-performance Ac Cob Led light source with a Chip Led Smd design, offering excellent illumination with a CRI of >80. It features a range of Color Temperatures including 3000K, 4000K and 6000K, and is available in a size of 152*108mm. With a Frequency of 50/60Hz, the Dimming Cob LED is perfect for areas requiring efficient lighting solutions.

The Chip Led Smd Led technology used in the Dimming Cob LED significantly reduces energy consumption and maintenance costs, while the design ensures that it can be used in a variety of applications. It also features dimming capability, allowing you to adjust the brightness of the light to suit your needs.

If you are looking for an energy-efficient lighting solution with excellent illumination, the Dimming Cob LED is the perfect choice. With its high CRI, superior light quality, and wide range of Color Temperatures, it is the ideal solution for any lighting project.

Features:

Product Name: Dimming Cob LED

Luminous Flux: 10000lm

LED Type: Chip Led SMD

Frequency: 50/60Hz

Power: 50W/100W/150W

Type: AC COB LED

Feature: Dimmable COB LED

Technical Parameters:

Product Name	Dimming
Dimming Cob LED	Triac/0-10V/Dali
LED Type	Frequency
COB	50/60Hz
CRI	Luminous Flux
>80	1000lm/5000lm
Material	Voltage
Aluminum	AC100-240V
Chip Led Smd	Driverless Led Chip
Yes	Yes
Warranty	3 Years

Applications:

Dimming Cob LED by newspectrum

Newspectrum is a renowned brand of LED products from Shenzhen China. The Dimming Cob LED from newspectrum is specifically designed for dimming applications with excellent light output. It is equipped with high-quality COB LED chip, which provides up to 1000lm luminous flux with a CRI of greater than 80. The dimming capability is available in Triac, 0-10V and Dali modes. It has an extended lifespan of 50,000 hours.

The AC Cob LED dimming function can be used in multiple scenarios, such as residential, commercial, retail, hospitality, and industrial lighting. With its superior performance, newspectrum's Dimming Cob LED can be used in a wide range of applications, such as architectural lighting, accent lighting, task lighting, and more.

Customization:

Customized Dimming Cob LED from newspectrum

Brand Name: newspectrum

Place of Origin: Shenzhen China

LED Type: COB

Frequency: 50/60Hz

Beam Angle: 120°

Size: 152*109mm

Product Name: Dimming Cob LED

Keywords: Ac Cob Led, Driverless Led Chip, Driverless Led Chip

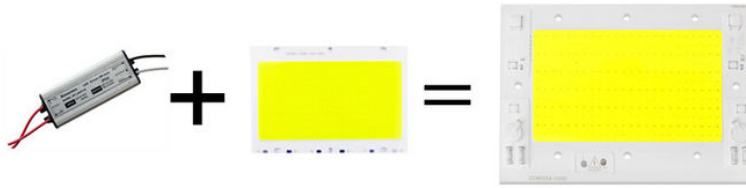

Support and Services:

Dimming Cob LED products offer technical support and service to ensure the best performance and satisfaction of our customers.

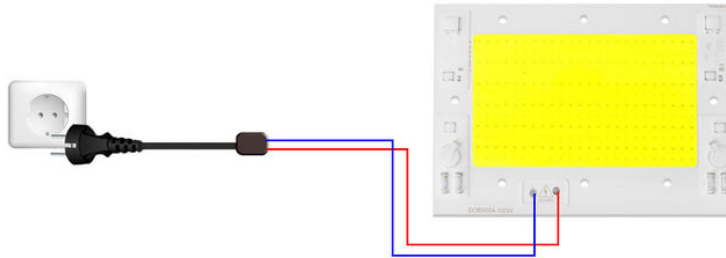

We are available to answer any questions regarding the use and operation of our products. Our qualified staff will provide you with detailed product information, installation instructions, troubleshooting advice, and more. We also offer product replacements and repairs, should you experience any difficulties with your product.

Our technical support and service team is available 24/7 to answer any questions or concerns you may have. We strive to provide fast and professional service so that you can get the most out of your Dimming Cob LED product.

① Two-in-one

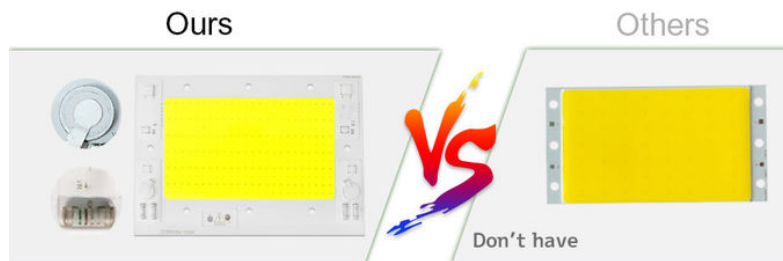

② Smart IC integrated no driver

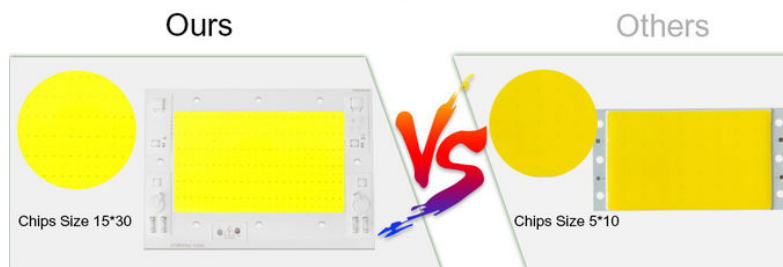

Why is the quality better ?

A1: There are components that other suppliers don't have

Why is it brighter ?

A2: LED chips 3 times bigger than others

CUSTOMIZED

Focus on AC/COB 10 Years

Packing

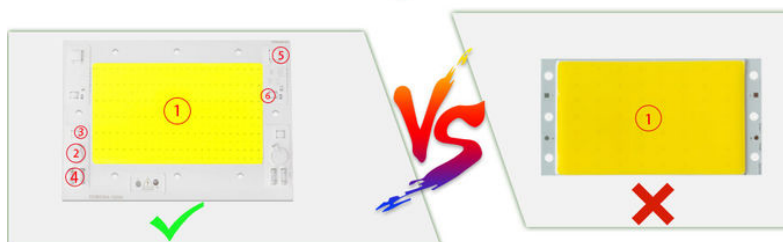

Why heat dissipation faster?

A3:1.6mm high thermal conductivity aluminum material

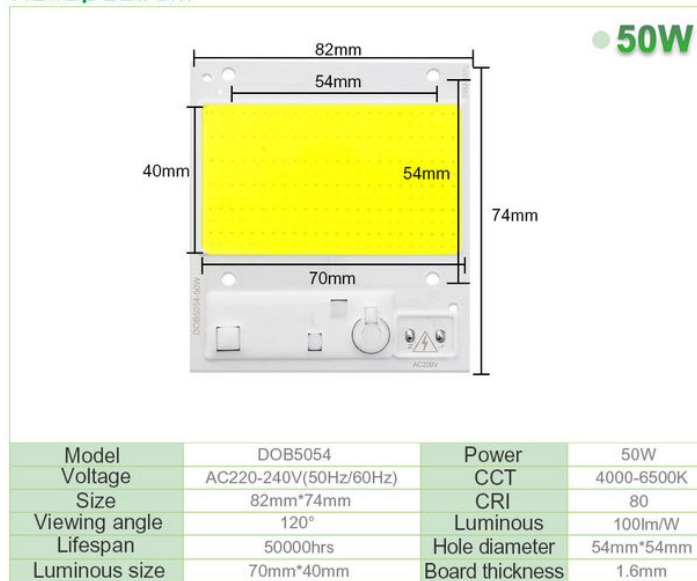

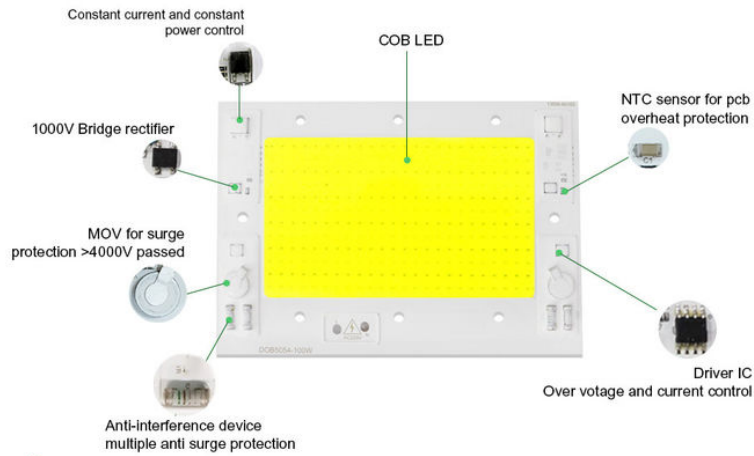

Why is it safer ?

A4:More secure with multiple protections

Chips are bigger than others	(1)	Ordinary chip
Mov for surge protection>4000V passed	(2)	No
1000V bridge rectifier	(3)	No
Anti-interference device multiple anti surge protection	(4)	No
Constant current and constant power control	(5)	No
NTC sensor for pcb overheat protection	(6)	No
Can use led dimmer or SCR dimmer to dimming it	(7)	Can't dimming

● 100W

Model	DOB5054	Power	100W
Voltage	AC220-240V(50Hz/60Hz)	CCT	4000-6500K
Size	135mm*95mm	CRI	80
Viewing angle	120°	Luminous	100lm/W
Lifespan	50000hrs	Hole diameter	72mm*72mm
Luminous size	100mm*60mm	Board thickness	1.6mm

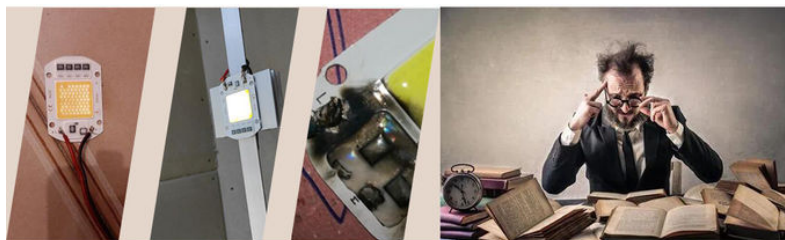

● 150W

Model	DOB5054	Power	150W
Voltage	AC220-240V(50Hz/60Hz)	CCT	4000-6500K
PF	>0.9	CRI	80
Viewing angle	120°	Luminous	100lm/W
Lifespan	50000hrs	Hole diameter	88mm*82mm
Luminous size	122mm*70mm	Board thickness	1.6mm

Are you still worrying these problem?

Short circuit? Burn out? Poor quality?

Don't worry !

Newspectrum LED CHIP

CHANGE YOUR LIFE

Full Power High Lumens 4KV Surge Protection Life Guarantee

FAQ:

Q: What is Dimming Cob LED?

A: Dimming Cob LED is a high-performance, high-efficiency LED product produced by newspectrum in Shenzhen China.

Q: What are the benefits of using Dimming Cob LED?

A: Dimming Cob LED offers a wide range of benefits, including improved energy efficiency, better light quality and increased lifespan.

Q: What types of applications can Dimming Cob LED be used for?

A: Dimming Cob LED can be used for a wide variety of applications, such as commercial, industrial, residential, and outdoor lighting.

Q: What are the features of Dimming Cob LED?

A: Dimming Cob LED features high efficiency, long lifespan, low heat generation, high light output, and dimming capability.

Q: What is the warranty for Dimming Cob LED?

A: Please refer to our warranty policy for more information on Dimming Cob LED.
