

## High Lumen High Power Cob LED Lamp Beads High Conductivity Aluminum

Our Product Introduction

### Basic Information

- Place of Origin: Shenzhen China
- Brand Name: newspectrum
- Model Number: NEW 6088
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 3-5 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000pcs/day

### Product Specification

- Lifespan: 50,000hrs
- Size: 6cm X 8.8cm X 0.2cm
- Application: Indoor/Outdoor
- CRI: Ra>80
- Power: High
- Luminous Flux: 10000lm
- Material: Aluminum
- Substrate Material: High Conductivity Aluminum
- Highlight: High Lumen Cob LED Lamp, High Conductivity Aluminum Cob LED Lamp, High Lumen LED Lamp Beads

## Product Description

### Product Description:

Introducing High Power Cob LED Lamp Beads

The High Power Cob LED Lamp Beads is a light source that offers superior lighting quality. This product is made of high-quality aluminum material, and it features a CRI (Color Rendering Index) of  $Ra > 80$ , providing a natural and accurate color rendering. It is equipped with 100-200lm/W of luminous flux, ensuring a bright, energy-efficient light output. The High Power Cob LED Lamp Beads is the perfect choice for commercial lighting applications, providing consistent lighting performance and safety. The LED Cob Chips 100w offer reliable, long-lasting illumination, and its high power makes it ideal for a wide variety of applications.

The High Power Cob LED Lamp Beads is designed to meet the highest standards of quality, performance, and reliability. With its compact design, it can be easily installed in any space, providing superior lighting quality without taking up too much space. The High Power Cob LED Lamp Beads offers a wide range of lighting options, allowing you to customize the lighting according to your needs. The High Power Cob LED Lamp Beads is the perfect choice for commercial lighting applications, providing superior lighting quality and energy-efficiency. It is the perfect solution for any lighting needs, offering reliable, long-lasting illumination and a bright, energy-efficient light output. With its high power, the High Power Cob LED Lamp Beads is ideal for a variety of applications, from residential to commercial.

### Features:

Product Name: High Power Cob

Material: Aluminum

Luminous Flux: 100-200lm/W

Input Voltage: AC85-265V

Warranty: 2 Years

Lifespan: 50,000hrs

Led Chip On Board

Led Cob Chip 100w

LED Lamp Beads

High Lumen CoB LED Chip

# Scenario application

#### Technical Parameters:

|                    |                            |
|--------------------|----------------------------|
| Product Name       | High Power Cob             |
| Luminous Flux      | 100-200lm/W                |
| Substrate material | High Conductivity Aluminum |
| Warranty           | 2 Years                    |
| Input Voltage      | AC85-265V                  |
| IP Rating          | IP65                       |
| Lifespan           | 50,000hrs                  |
| Color Temperature  | 3000K-6000K                |
| Beam Angle         | 120°                       |
| Application        | Indoor/Outdoor             |
| Led Chip On Board  | Yes                        |

#### Applications:

As a leading brand in LED lighting products, **newspectrum** provides high quality **High Power Cob** that is made of **High Conductivity Aluminum** substrate material. It is featured with **Cob LED Chip**, **LED Lamp Beads** and **Led Chip On Board**, which are all manufactured by **Shenzhen China**. The **High Power Cob** offers a luminous flux range from 100 to 200lm/W and it is made of **Aluminum** material. Its high performance and long-lasting durability make it widely used in many applications, such as commercial lighting, industrial lighting, architectural lighting, stage lighting, and so on.

#### Customization:

Customized High Power Cob from newspectrum

Brand Name: newspectrum

Place of Origin: Shenzhen China  
Product Name: High Power Cob  
Color Temperature: 3000K-6000K  
Application: Indoor/Outdoor  
IP Rating: IP65  
Light Source: Cob LED Chip

High Power Cob from newspectrum is the perfect choice for indoor and outdoor lighting. With LED Cob Chip 100w and LED Lamp Beads, you can be sure of high quality and reliable performance.

## Support and Services:

High Power Cob Technical Support and Service

We provide technical support and service for High Power Cob products. Our experienced technical support team is available to assist you with any technical issues that you may have. We provide a comprehensive range of services including:

Installation and setup  
Troubleshooting and repair  
Product upgrades and enhancements  
Software and hardware updates  
Product customization  
Data recovery and backup

We are committed to providing the highest quality of customer service and technical support to ensure that you get the most out of your High Power Cob products. If you have any questions or need assistance with any of our products, please feel free to contact us.

## FAQ:

▼ Q1: What is the brand name of High Power Cob? -----

A1: The brand name of High Power Cob is newspectrum.

▼ Q2: Where is High Power Cob made?

A2: High Power Cob is made in Shenzhen, China.

▼ Q3: What are the features of High Power Cob?

A3: High Power Cob has a long life span, is energy-saving, and has a wide range of applications.

▼ Q4: What are the advantages of High Power Cob?

A4: High Power Cob has high luminous efficiency, wide viewing angle, and excellent heat dissipation.

▼ Q5: Is High Power Cob safe to use?

A5: Yes, High Power Cob is safe to use. It is made with high-quality materials and is rigorously tested for safety and durability.
