- Highlight: **Aluminum Light Bar Module, 50000h Light Bar Module**

Product Description

Aluminum Light Bar Module Package In Retail Box With 50000h Lifespan

Product Description:

Introducing the Light Bar Module, a revolutionary full spectrum cob grow light that will revolutionize the way you grow your indoor plants. Our light bar module is made of superior quality aluminum and features a 120° beam angle, allowing you to spread the light across a wide area. Equipped with COB LED chips, it produces a luminous flux of up to 1200 LM, giving your plants the perfect amount of light to thrive. Its 50000h lifespan ensures that your plants will continue to get the light they need for years to come. Plus, it comes in a convenient retail box for easy storage and transport. Get the Light Bar Module today to experience the best in full spectrum grow lights.
