

## Dimmable COB LED Module For Energy Efficient Illumination

Our Product Introduction

### Basic Information

- Place of Origin: Shenzhen
- Brand Name: Newspectrum
- Model Number: NEW4060
- Minimum Order Quantity: 100pcs
- Price: Negotiable
- Packaging Details: Antistatic bag, boxes in carton.
- Delivery Time: 1-3 workdays
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 50000pcs/m

### Product Specification

- Warranty: 2 Years
- Beam Angle: 120°
- Dimmable: Yes
- Luminous Flux: 250lm
- Color Temperature: 3000K/4000K/6000K
- Power: 3W
- IP Rating: IP65
- Product Name: COB LED Module
- Highlight: **Dimmable COB LED Module, Energy Efficient COB LED Module**

## Product Description

### Product Description:

COB LED Module

Our COB LED Module is an innovative lighting solution designed to provide superior lighting performance. It features a long lifespan of up to 50,000 hours, a high-grade aluminum construction, and dimmable capabilities with an IP65 rating. The Module also boasts an impressive CRI of more than 80, making it an ideal choice for any lighting project.

This COB LED Module is perfect for both commercial and residential applications, offering a reliable lighting solution that is both energy efficient and cost-effective. With its superior design and long-lasting performance, the COB LED Module is sure to make a great addition to any lighting project.

### Features:

Product Name: COB LED Module

Size: 50\*50mm

Luminous Flux: 250lm

IP Rating: IP65

Voltage: DC12V

High Quality COB LED Lighting Module

Bright and Efficient COB LED Lighting Module

Long Lasting COB LED Lighting Module

### Technical Parameters:

Product Name	COB LED Module
CRI	>80
Warranty	2 Years
Voltage	DC12V
Luminous Flux	250lm
Size	50*50mm
Color Temperature	3000K/4000K/6000K
Lifespan	50,000hrs
Beam Angle	120°
IP Rating	IP65

### Applications:

COB LED Module is the perfect choice for providing efficient and reliable lighting solutions in almost any environment. It is made of durable aluminum and has a compact size of 50\*50mm, making it suitable for even the most confined spaces. With a wide range of color temperatures, including 3000K/4000K/6000K, it is capable of providing a range of lighting options for any setting. It also comes with a 2-year warranty, so you can have peace of mind knowing that your lighting solution is reliable and long-lasting. COB LED Module is an ideal solution for any lighting need, providing superior lighting quality and lasting performance.

### Customization:

Customized COB LED Module

Our COB LED Module offers superior lighting performance with its DC12V voltage, 120° beam angle, 3W power, color temperature from 3000K to 6000K, and CRI of >80.

These customized COB LED Modules are perfect for your lighting needs. With its high-quality performance, you can count on it to provide the perfect lighting solution for any space.

Choose from 3000K, 4000K, or 6000K color temperature to create the perfect atmosphere. And its CRI of >80 ensures rich colors and a vibrant atmosphere.

For the best in COB LED Lighting Module, look no further than our customized COB LED Module.

### Support and Services:

COB LED Module Technical Support & Services

At Colighting Company, we are committed to providing our customers with the highest quality technical support and services for our COB LED Module products.

We offer a variety of services including:

Technical support via phone, email, and online chat.

A comprehensive knowledge base of product guides and troubleshooting tips.

Firmware updates, software upgrades, and other product maintenance services.

On-site installation and maintenance services.

Training and education services.

Our knowledgeable and friendly customer service team is available to answer any questions or concerns you may have about our COB LED Module products.
